

# Makeup 101: Taught by me

## - The Art of Makeup

- Makeup is not just about enhancing beauty but also a form of artistic expression.
- It involves various techniques and products to accentuate features and create different looks.
- From everyday natural makeup to glamorous special occasion looks, there's a wide range of possibilities.

# Slide 2

## - Essential Makeup Tools

- Brushes: Essential for precise application of products like foundation, eyeshadow, and blush.
- Sponges: Ideal for blending foundation and concealer seamlessly into the skin.
- Palettes: Offer a variety of colors for eyeshadow, blush, and contouring, allowing for versatility in looks.
